

Dear Principal, Participating Teachers, and Parents,

We are excited to promote the education of Utah's children by offering our Summit Reader Program. We hope to encourage, and reward, strong reading habits. Your participation is essential to the success of the Summit Reader Program.

Our goal is to encourage elementary-aged students to read for fun and enjoyment! The following pages will provide you with all the instructions and materials you will need. If you have participated in the program in the past, please read through the instructions carefully as we have made modifications based on educator feedback that will drastically simplify the process. This year's program begins on March 1st and ends on March 30th.

We look forward to working with you and hope you are as excited about this program as we are. If you have any questions or need additional information regarding the Summit Reader Program, please email read@splashsummitresort.com.

Sincerely,

Cassidy Newberry
